# ANOTHER TURNING POINT

MILLIDEK 1997

# ANOTHER TURNING

This year's theme was chosen for three reasons. First, Millikin University is in a turning point: changes in physical structures, changes in curriculum, and the capital campaign.

While at the same time, students are experiencing their own turning points in life. Freshmen move away from home and become more independent. Sophomores and Juniors adjust and enjoy campus life. Seniors reach their graduation goals and enter the "real world" in their new careers.

Finally, the yearbook, as you can see, has taken its own turning point. The staff has turned not only the pictures, but turned around the Fine Arts and Faculty/Staff sections. (Notice: No more 1970's photos.)

I hope this book has captured your turning point in the 1996-97 academic year. Enjoy!

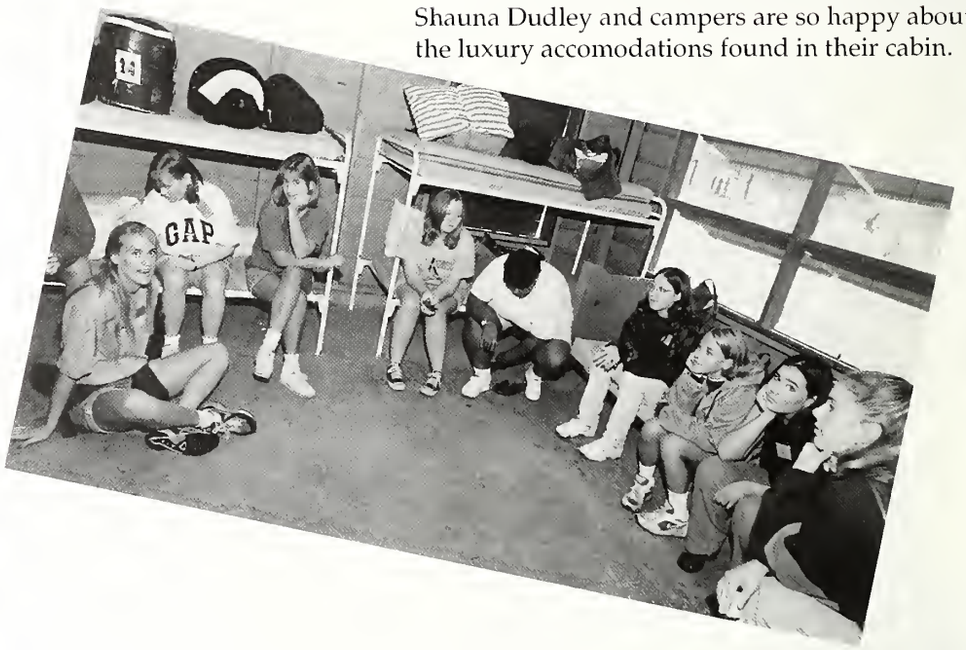
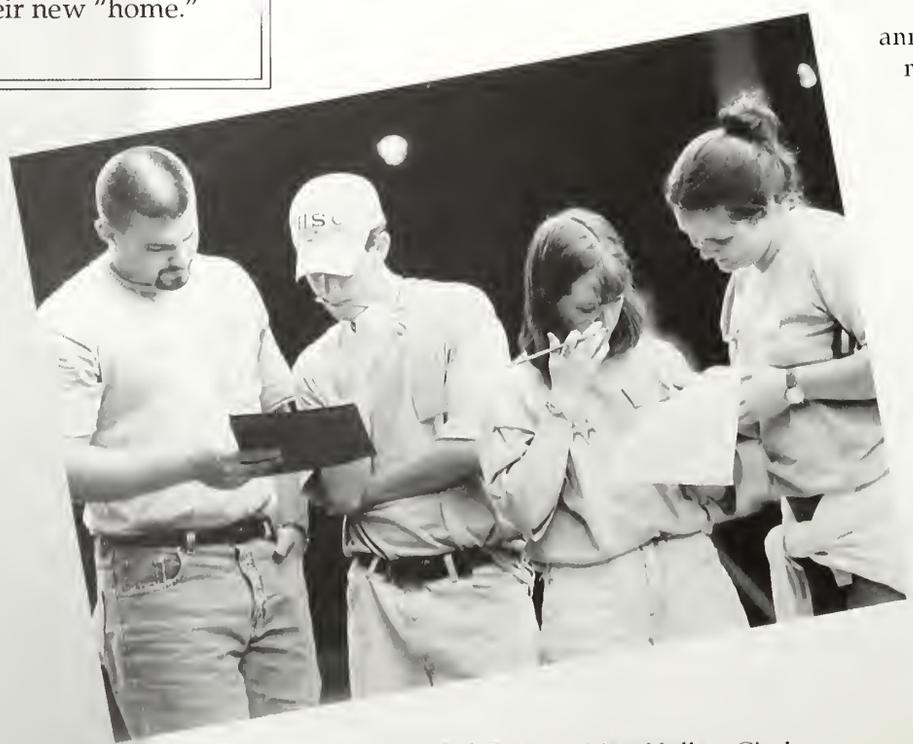
# MILLICAMP 1996

On August 17, 1996, new freshmen students boarded the yellow school buses and headed for a fun-filled weekend at Allerton Park. Millicamp counselors and campers did not let the rain and chilly weather interfere with the weekend's activities. The weekend actually brought a little inner warmth and sunshine to the new students. The fun began upon arrival with icebreakers and the Russian dancing performance treated everyone to some culture and entertainment. The highlight of the adventure occured Saturday night--the hypnotist. Fellow campers volunteered to be hypnotized and provided everyone with many laughs. The weekend came to a close on Sunday with an exciting treasure hunt and relay races. After two days of having fun and beginning to make new friends, the new Millikin students boarded the buses and headed to their new "home."



Shauna Dudley and campers are so happy about the luxury accomodations found in their cabin.

Co-chairs Cally Pitzer and Krista Probst announce the next events on the schedule.



Millicamp counselors Rob Prange, Matt Holley, Cindy Keppler, and Erika Goodman are all asking each other, "Where do I go now?"

# THE UNFORGETTABLE

This year's theme for homecoming was "The Unforgettable Adventure." The week of homecoming activities was kicked off on Thursday, October 10th in lower RTUC with displays of the upcoming activities. On Sunday, it was time for Millikin students to get off campus and do some community service. Sunday evening there was a fireworks display at the football stadium. Monday night the talent show entitled "A Night On The Wild Side" occured. The boys from TKE took top honors with their "Wild West" line dance. Wednesday was spirit day for wearing blue and attending the pep rally. The games at the pep rally included Chubby Bunny, Ping Pong Spit, Dizzy Bats, Football Toss, and Skin the Snake. Friday was the Coronation Ceremony in which Mark Kohl and Julie Roe were crowned king and queen. They were announced at the football game and reigned over the homecoming dance at the Decatur Civic Center on Saturday night.

Julie Roe is crowned 1996 Homecoming Queen by retiring queen Diane Wendt and Mike Kohl receives the 1996 Homecoming King scepter from retiring king Kyle Johnson.

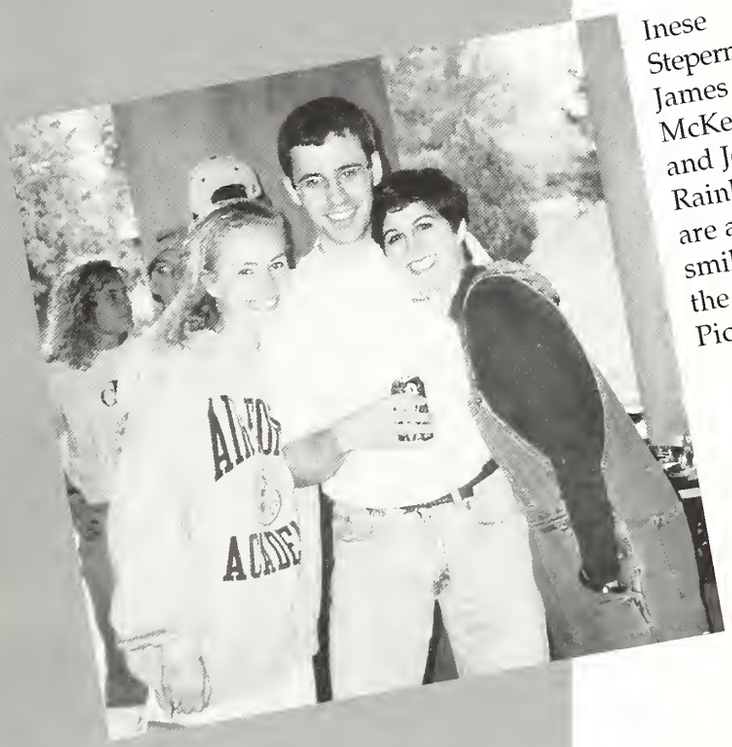
# SENIORS

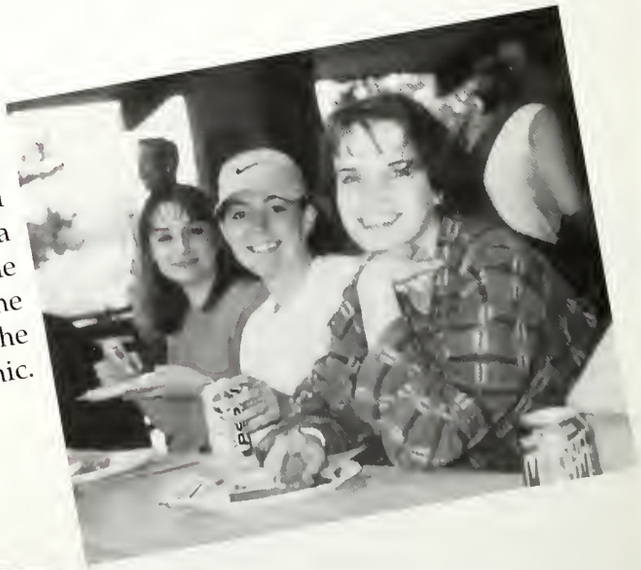
MILLIDEK 1997

# Seniors know how to have fun!



Inese Stepermane, James McKenzie, and Jeri Rainbolt are all smiles at the Senior Picnic.

The 1997 seniors enjoyed many fun activities planned by the senior class committee. Of course, Senior Night at Ralph's was always a crowd pleaser throughout the year. Seniors also were enthusiastic about Senior Week in April. Everyone socialized with classmates at LSB on Tuesday night, Eldo Bowl on Wednesday night, Ralph's on Thursday night, and on the Par-A-Dice Casino in Peoria on Friday night. Senior activities concluded with the Annual Senior Picnic at Fairview Park on Wednesday, May 7. Thanks to all the committee members for all their hard work planning these great activities!



L-R: Jaime Clark, Denise Wheeler, and Mirinda Rosevear dine on the fine cuisine at the picnic.

So happy to remember all those fun times during the past four years. Front: Mike Weightman. Back: Jeri Rainbolt, Brian Simpson, Stacy Oertwig, James McKenzie, and Jennifer Petitgout.

Millikin University began a new tradition this year with the first women's soccer team to grace our campus. Led by first-time head coach David Isham, the Big Blue Women's Soccer team ended the CCIW season winless in 12 matches. The team's inexperience in college play allowed for some experimentation and filled the squad with mostly freshmen, sophomores, and one upperclassman. Courtney Laabs scored the first goal in Millikin history.

# Cross Country

Millikin's Men's and Women's Cross Country teams had a successful season this year. Led by Head Coach McNeely, as well as Women's Captain Erica Grider and Men's Co-Captains Jason Myers and Todd Felker, the teams put in a lot of work. With three seniors and five freshmen on the Women's team, youth was the main worry of the season. Coach McNeely saw the competitive edge in the Men's team, and they proved him right. Jason Myers, Teresa Willard, and Erica Grider earned the Senior Dedication awards this year. Jennifer Falbe and Derek Backes took the Rookie of the Year awards home.
Keep up the good work and kick up some dust!

Warren had nothing but positive hopes for the Men's team. Though the team finished 1-8 overall and 0-6 in the CCIW, Warren knows the team can only improve. Good luck next year, guys! The Women's Tennis Team had a great season this year. Head Coach Bob Hantel looked forward to a great year, and his ladies did not disappoint him. With an overall record of 9-6 and a CCIW record of 3-4, the Women's team did a great job for Millikin.

# Men's Basketball

The Men's Basketball team, under the leadership of first-year Head Coach Tim Litrell, had a good 1996-97 season. With a CCIW record of 6-8 and an overall record of 10-15, the Men's team hopes to increase the number of wins next year, but they feel great about the wins they had this year. Ending the season with a thrilling victory against North Central, Assistant Coach Chad Bolser said "We played well and had a great effort from the entire team." The season leader in scoring and rebounds was Eric Smith, a senior. Regarding his departure, Coach Bolser sang Eric's praises, saying "A player like Eric is very rare, especially at this level." The team will definitely miss Eric next year. The returning players all showed a great deal of improvement this year, so there's nothing to worry about!

# Wrestling

This year, the Wrestling team faced a difficult start with only three upperclassmen on the team. Led by Head Coach Michael Poe, the team ended up with 167 individual wins and 173 losses, quite a record for a young team. After a slow start for the season, things began to pick up in January as the team won 5 out of 8 matches. At the CCIW championships, Millikin finished 4th out of 5. With a young team, the Big Blue Wrestlers will just keep on improving.

Millikin's Golf Team has a lot to be proud of this year. For the 1996-1997 season, the men brought home a conference title from the CCIW championship. Tying with Augustana, the team finished with four top ten individual performances, including Tory Leonard, who gained the top individual spot with a two-day total of 151. # Swimming

The Men's and Women's Swimming teams both ended their seasons with most of the swimmers at their lifetime bests. Head Coach John Gadbois was happy with his team's performances even though the men's team finished fifth and the women's team finished sixth, both out of six. The team started off the year with a trip to Arizona State University for training. The team proved on this outing that they were worthy of swimming with Division I schools, and most importantly, they had a good time.

It's all fun and games 'til someone loses an eye!

# Softball

The Women's Softball Team had an excellent season this year, coming home as the second place team in the CCIW, losing the war to Illinois Wesleyan. At the end of the battle, junior Sara Tomek summed up the team's feelings by saying "In our hearts we still feel like champions." With a record of 27-15 overall and a CCIW record of 8-6, the Softball team should definitely feel like winners!

After a good beginning, the Baseball team faltered. The Big Blue lost 11 of its final 13 CCIW games after starting the season at 4-2. Ending the season with an overall record of 18-23 and a CCIW record of 5-13, the team members all expressed high hopes for next season. The team will have a great number of returning players for next season. According to Chris Fleener, a junior, "If the team doesn't make [the conference tournament] next year, we will not have lived up to the expectations we had as sophomores." Well guys, good luck!

Coach Don Luy stated, "We've really done well at all the meets we've been at this year. Great athletes come through in big meets." Two Millikin records were set this year. Tige Butts shot 53'10" in the shot put contest at the Monmouth Invitational and became an automatic qualifier for the NCAA tournament. Felicia Britton, also at Monmouth set a Millikin record for the 400 meter competition (59.98).Congratulations also to Carl Alexander on being named CCIW Most Outstanding Male Performer!

It takes a hard-working and dedicated staff to put together a publication like this. I can never say enough how much I appreciated the time and effort that the section editors and staff members gave this year. This book could not have been done without you. Together, I believe, we have given Millikin one of the best yearbooks ever!

But many others on this campus are essential to make this yearbook the best it can be.

Obviously, a yearbook needs photos. So a BIG thank you goes out to Ray Baltes, University Photographer. I appreciate your understanding and cooperation of our deadlines, especially in those crunch times. Also, I need to thank those individuals who contributed their own candid photos to this book and Divina Scholz for the swim team pictures.

The University Relations office is a key factor in providing sports statistics, rosters and awards. Thanks Cindy and Dave for all your help!

Thank you very much to the faculty departments and office staffs for your cooperation with scheduling group photos for the yearbook. It was my goal to update and rearrange this section. I am very proud of how it turned out. I hope you enjoy it, too.

Thanks to University Services and the mailroom staff for advice on our mass mailings, Dr. Randy Brooks and Security for letting staff members into the Mac Lab after school is out, and Gina Reed for fielding yearbook phone calls from parents, students and alumni and assisting with other odds and ends.

The staff has tried very hard this year to identify all individuals in the photos. I want to personally thank all those people who may have been stopped in the hall, called on the phone or tracked down to help us correctly put names with faces.

Thank you to Holly Smith. It has been a really great experience for me working with you for the past two years. I'm going to miss you. Best of luck with next year's staff. I know you'll push them to meet deadlines and stay within the budget just like you did to me.

A HUGE THANK YOU to Bob Donnelly, Herff Jones Representative. Your knowledge and experience with the yearbook has been crucial in answering our endless questions, helping us solve problems and even extending our deadlines when times are tight. I have really enjoyed working with you.

My involvement with the yearbook over the past four years has become a very special part of my college experience. I have strived to improve the quality of the yearbook by using more creative layouts and a theme that captured the atmosphere at Millikin during the academic year. The Millidek will remain very dear to me and Millikin University will always be a precious part of my life. I am very grateful for the opportunity to give back to Millikin University by recording its history in the yearbook.

Finally, I wish next year's staff best of luck in continuing to make the Millidek the best it can be.

Respectfully yours,

Stacy Oertwig
